

The all-new Sportage.

Accessories.

Movement that inspires

Inspire your imagination.

So, just what inspires you? Something you see? Or something you hear? Maybe something you feel? The new Sportage feeds all of your senses with inspirational inputs that can open the way to a richer, more satisfying life. Kia Genuine accessories take this adventure even further by providing you with the means to extend the built-in enjoyment, practicality and versatility of this remarkable SUV. All these high-quality products have been developed to meet the same stringent standards that created your new Sportage. So you can sit back and imagine the freedom that inspiration brings.

The accessories in this brochure are applicable for Sportage, Sportage Hybrid Electric Vehicle and Sportage Plug-in Hybrid Electric Vehicle. Please refer to the table on the last page for the part numbers and applicability of the accessories.

See how inspiration can redefine your life.

How do you see yourself? Cool, dark and secretive? Bright, alert and attracting attention? Or subtle, understated and laid-back. Select the carefully crafted genuine accessories that, together, reflect the personal values that most inspire your lifestyle. Kia Genuine accessories have been created for you to add your individual character to your Sportage.

Express your inspiration.

Sometimes subtlety is not enough. Which is why our custom-made decals have been created. So that you can give visual expression to the dynamism that your new Sportage adds to your life.

Step up to a new level.

There's much more to style than just visual effects. You can extend the attraction of your new Sportage with great-looking accessories that also bring distinctly practical advantages. Choose from perfectly styled rugged side bars and side steps, or our extremely effective LED illumination positioned in and around the vehicle.

Side steps, illuminated. These robust matt aluminium side steps form a striking visual accent, enhanced further by LED strip lighting that activates as you unlock or open the doors and fades out as the engine starts. Can carry up to 180 kg.
R2370ADE10 (available in Q2, 2022)

Side steps, rugged. These rugged side steps in matt aluminium with anti-slip rubber inlays evoke a real sense of solid robustness that is sure to appeal to the outdoors adventurer in you. Allows easier access to the cabin and can carry up to 180 kg. Available in two colours.

R2370ADE00BL (with black accent)

Create your own stories.

With your new Sportage there's hardly any limit to the expeditions you can enjoy. Reach remote locations where you can launch new adventures on mountain bikes or on foot. Our new retractable tow bar adds extra convenience and our roof-mounted solutions open a world of opportunities. Your only limit is your imagination.

Towbar wiring kit, 13-pole socket and 7-pole socket. Installation uses original vehicle connectors and a multifunction trailer module which amplify all necessary signals. Compatible with both conventional bulb and LED trailer lights and featuring audible warning of trailer turn indicator or brake light malfunction. The rear fog lamp of the vehicle is automatically switched off when a trailer is connected. With the new trailer lamp control feature, a notification is sent via vehicle cluster when a tail, brake or indicator light are broken on the trailer.

The 13-pole socket wiring kit is prepared to manage additional caravan functions. To ensure full functionality, +15/+30 is already included in the wiring.

13-pole socket: R2621ADE00PC (detachable & fixed / waterproof socket housing)

7-pole socket: R2620ADE00PC (detachable & fixed / with drainage holes to prevent water accumulation)

Retractable tow bar connection kit: R2625ADE00

Based on your actual tow bar usage, adapters are available to temporarily change 7-pole socket to 13-pole socket or vice versa.

13-pole (vehicle) to 7-pole socket (trailer / caravan): E919999137

7-pole (vehicle) to 13-pole socket (trailer / caravan): 55622ADB00

Please consult your dealer for all functions of these products and for the maximum towing load capacity for your vehicle.

Tow bar, detachable. Whenever you have substantial cargo in tow, this top-quality corrosion-resistant steel tow bar is ideal for efficient transportation. With the featured 3-ball locking system it can be detached simply, securely and discreetly. Please consult your dealer regarding the maximum towing load capacity for your vehicle.
R2281ADE00

Tow bar, fixed. You frequently have cargo to transport? This high-quality corrosion-resistant fixed tow bar is developed to optimally transport loads according to the maximum towing and bike load capacity of your Sportage. Please consult your dealer for the detailed specification of your vehicle.
R2280ADE00

All weather mats, GT-line.

Textile floor mats, velour, GT-line.

All weather mats. Whatever adventure you've been on, don't worry about wet, muddy or sandy shoes when you get back in the car. These durable and easy-to-clean floor mats protect the whole of your cabin floor. With a customized shape, and fixing points to hold them firmly in place. They feature distinctive design that matches perfectly with the trunk liner which follows the same theme. Please refer to the table for the part numbers.

All weather mats, centre tunnel. Matching the design of the all-weather mats, this fits perfectly over the transmission tunnel like a tailor-made saddle. Please refer to the table for the part numbers.

Textile floor mats, standard. Shield those areas of your cabin floor used most often from underfoot dirt with these protective floor mats made from hard-wearing needle felt material. Perfectly fitting your footwells, the mats feature the Sportage logo on driver's mat, plus fixing points and anti-slip backing. The driver's mat is also reinforced with a heel pad for extra protection from wear. Please refer to the table for the part numbers.

Textile floor mats, velour. Keep your cabin unblemished for longer. These high-quality velour floor mats will protect your Sportage's interior from everyday dirt and enhance its look at the same time. Tailor-made to fit the footwells perfectly, they feature the vehicle logo in the front row and are held in place with fixing points and anti-slip backing. Please refer to the table for the part numbers.

Charging cable, Mode 3. Fast charging (AC) your all-new Sportage Plug-In Hybrid could not be easier and faster. The charging cable, Mode 3 is equipped with Type 2 plugs at both ends and can be used for the day-to-day charging at public and domestic charging points that provide Type 2 sockets. High-grade materials make this charging cable extremely resistant to severe twisting or bending and extensive weatherproofing excludes the possibility of corrosion. Secure automatic locking to both the car and the charging point is provided by the Type 2 plugs.
